ELEGANT KITCHENWARE

Price: Rs 12,000 onwards

Reminding one of the classic charms of a cosy kitchen, Hindware offers Princess (S) 90, a decorative electric chimney and Majestic, a built-in-hob from the Italian collection. The decorative hood of Princess (S) 90 is made from non-magnetic, anti-rust 304 grade pure stainless steel. Its exclusively designed wind tunnel makes for a non-greasy kitchen. On the other hand, Majestic, is elegantly designed with multi-features like 8-mm tempered glass worktop, soft knobs, 2 triple-ring burners, 1 semi-rapid burner and automatic ignition. Made of pure stainless steel, it is rust-resistant, and available at all leading kitchen appliances stores across the country.
