## Something 'spa'cial

For its elite clientele, Hindware recently introduced Teuco HydroSpa, a renowned Italian designer brand. Apart from being a style icon with electronically controlled functions, steam sauna, and whirlpool with ultrasound, Teuco HydroSpa also provides a hot spa experience and aromatherapy at a fraction of the cost. Teuco HydroSpa features rounded contours, a wide range of colours, superior finishes and excellent accessories. It also offers enormous scope for personalisation to suit particular tastes and styles of interior and exterior setting. Its pool comes in round, rectangular and square shapes. Teuco HydroSpa is available exclusively at Evok showrooms, the Home Fashion Mega Store, and at the Crown Interiorz Mall, Faridabad.

## Touch of wood

Bathroom vanities and cabinets set the tone of bathroom design. Hindware presents the fashionable Wood Art collection of solid wood cabinets, wash basins and mirror consoles to beautify bathrooms. In some models, the cabinet is coupled with a marble top and the mirror comes with a lamp. Crafted for both utility and style, the Wood Art range is manufactured with water-resistant solid wood and features soft hinges for easy door closing action. The collection is available in six different varieties - Viola, Floret, Aster, Rosette, Anther and Azara, and in two elegant colours - cedar and Wenge. With prices starting at Rs 31,195, these can be sourced at Evok stores, the Home Fashion Mega Store, Crown Interiorz Mall, and through the wide network of Hindware retailers across India.
